

# Bell Mobility Business Plans

## All plans include:

Unlimited Canada-wide calling,<sup>1</sup> unlimited text, picture and video messaging,<sup>2</sup> Call Display, Message Centre, Conference Calling and Call Waiting. Bell SmartPay™ includes Call Forwarding to a Canadian number.<sup>3</sup>

## Connect Everything Plans

Share data across multiple connected devices.

Canada-wide

Bell SmartPay™ (2-yr)  
or BYOD (no term)

Connect  
Everything 10

\$75/MO.

10 GB of shareable data

Connect  
Everything 20

\$75/MO.  
Special offer<sup>4</sup>

20 GB of shareable data

Connect  
Everything 50

\$125/MO.

50 GB of shareable data

A one-time connection service fee (\$40) applies per activation.

Additional data is \$10/100 MB up to 800 MB. Data over 800 MB is 15¢/MB.

## Get even faster speeds

5G is the next evolution of wireless technology. It will offer unprecedented speeds, super low latency for lightning fast response time and massive bandwidth.

Now you can connect your 5G-capable device to Canada's largest 5G network in select areas of Vancouver, Calgary, Edmonton, Montréal and the Greater Toronto Area with more to come.<sup>5</sup> Visit [bell.ca/5G](#) for coverage areas.

## Additional plan options:

### Switch to Bell and save

Your rate plan and device payments are on us for the first 3 months with new activations on select plans.<sup>6</sup>

### Save when you add members

Every member that you add to your plan will save \$25/month on their rate plan.<sup>7</sup>

### Protect your phone from loss and damage

Get a Smart/Phone Care plan starting at \$10/month.

### Travel to the U.S. often?

Canada/U.S. plans are available with select plans for an additional \$20/month.

Or, get a Basic phone plan with unlimited Canada-wide talk and text for just \$40/month. Ask us for details.

Current as of August 14, 2020. Bell Mobility is available in AB, BC, NB, NL, NS, NU, NWT, ON, PEI and YT within Bell Mobility's network coverage areas where technology permits; see [bell.ca/coverage](#). Speed and signal strength may vary due to traffic, topography, environmental conditions and other factors, including Bell's Internet traffic management practices (e.g., priority access to emergency personnel and critical infrastructure personnel). See [bell.ca/ITMP](#). Services subject to acceptable use restrictions including consuming excessive network capacity or causing our network to be adversely affected. See [bell.ca/acceptableuse](#). Ending your Commitment Period early results in a Cancellation Fee; see your Agreement. A provincial government 9-1-1 fee applies in AB \$0.44/mo., NB \$0.53/mo., NL \$0.75/mo., NS \$0.43/mo., NWT \$1.70/mo., PEI \$0.70/mo. Bell remits the required amount to the government. Subject to change without notice; not combinable with other offers. Taxes extra. Other conditions apply. **(1)** Applies to calls made from Canada & to the U.S. to a Canadian or U.S. number or calls received from any number while you are inside Canada or the U.S. Not compatible with Roam Better. **(2)** Sent texts include texts sent to a Canadian phone number while in Canada and excludes texts sent to a landline, texts sent to a U.S. or international phone number, premium texts (short codes), alerts, texts sent with a messaging application and roaming (international GSM texts). Received texts include texts received while in Canada and excludes roaming, premium texts (short codes), alerts or dial-in texts received from a messaging application. Out-of-bundle charges may apply. **(3)** When you Call Forward your phone number to a residential or office number that has the call display function, your cellphone number may be shown. **(4)** Bell SmartPay with new activation or upgrade only. BYOD: with new activation only. **(5)** The 5G network symbol appearing on a 5G device while in use means that 5G is available on the Bell network in the surrounding local area of the device. Speed, performance and whether a 5G device uses the available 5G depend on various factors including topography, environmental conditions, the current serving radio conditions at your location, whether the device is actively downloading or uploading data and subject to Bell's Internet traffic management practices (e.g. priority access to emergency personnel and critical infrastructure personnel). Outside 5G areas, 5G devices will continue to have access to our fastest 4G speeds available. **(6)** Get your first 3 months on any Unlimited or Connect Everything plan at \$0/month. Plus, starting on your first or second bill, get a \$35/month bill credit towards a new smartphone purchased with Bell SmartPayTM for 3 months. Includes primary and secondary lines. Not available on bring your own device plans, basic plans, upgrades or migrations, tablets, IoT products, mobile internet, smartwatches. **(7)** Available to new and existing Bell Mobility Business customers with new activation on additional line (excluding Personal, Tablet and Mobile Internet plans). There must be a primary subscriber activated on the account with a Connect Everything or Unlimited Data plan. Bell SmartPay is a trademark of Bell Canada.
