Current as of October 1, 2020. Bell Mobility is available in AB, BC, NB, NL, NS, NU, NT, ON, PEI and YT within Bell Mobility's network coverage areas where technology permits; see bell.ca/coverage. Speed and signal strength may vary due to traffic, topography, environmental conditions and other factors, including Bell's Internet traffic management practices (e.g., priority access to emergency personnel and critical infrastructure personnel). See bell.ca/TIMP. Services subject to acceptable use restrictions including consuming excessive network capacity or causing our network to be adversely affected. See bell.ca/acceptableuse. Ending your Commitment Period early results in a Cancellation Fee; see your Agreement. Connection service fee will appear on your first bill. A provincial government 9-1-1 fee applies in: AB \$0.44/mo., NB \$0.53/mo. (\$0.97/mo. effective Jan. 1, 2021), NL \$0.75/mo., NS \$0.43/mo., NWT \$1.70/mo., PEI \$0.70/mo. Bell remits the required amount to the government. Subject to change without notice; not combinable with other offers. Taxes extra. Other conditions apply. (1) Applies to calls made from Canada & the U.S. to a Canadian or U.S. number or calls received from any number while you are inside Canada or the U.S. Not compatible with Roam Better. (2) Sent texts include texts sent to a Canadian phone number while in Canada and excludes texts sent to a landline, texts sent to a U.S. or international phone number, premium texts (short codes), alerts, texts sent with a messaging application and roaming (international GSM texts). Received texts include texts received while in Canada and excludes roaming, premium texts (short codes), alerts or dial-up texts received from a messaging application. Out-of-bundle charges may apply. (3) When you Call Forward your phone number to a residential or office number that has the call display function, your cellphone number may be shown. (4) Reduced data speeds beyond your unlimited non-shareable data plan maximum speed will be up to 512 kbps. You can continue to use data at these reduced speeds until your next monthly bill period. (5) Bell SmartPay: with new activation or upgrade only. BYOD: with new activation only. (6) Based on a third-party score (Global Wireless Solutions OneScore™) calculated using wireless network testing in Canada against other national wireless networks of combined data, voice, reliability and network coverage. See bell.ca/network. (7) The 5G network symbol appearing on a 5G device while in use means that 5G is available on the Bell network in the surrounding local area of the device. Speed, performance and whether a 5G device uses the available 5G depend on various factors including topography, environmental conditions, the current serving radio conditions at your location, whether the device is actively downloading or uploading data and subject to Bell's Internet traffic management practices (e.g., priority access to emergency personnel and critical infrastructure personnel). Outside 5G areas, 5G devices will continue to have access to our fastest 4G speeds available. (8) Get your first 3 months on any Unlimited or Connect Everything plan at \$0/month. Regular rate applies thereafter. Plus, starting on your first or second bill, get a \$35/month bill credit towards a new smartphone purchased with Bell SmartPay™ for 3 months.
